

CHADDS FORD TOWNSHIP
PLANNING COMMISSION

NOVEMBER 27, 2002

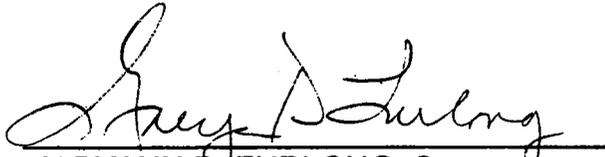

MINUTES

The Planning Commission of Chadds Ford Township met in the Township Building on Wednesday, November 27, 2002, at 7:30 PM. Present were William J. Taylor and Anthony Cutrona. Also in attendance were Richard J. Jensen, Code Enforcement/Zoning Officer, John P. Kelly of Kelly Engineers and Maryann Furlong, Township Secretary.

There were not enough members of the Planning Commission present to meet quorum requirements, nor was anyone present to address the members, thus the Planning Commission did not hold a regularly scheduled meeting.

Mr. Taylor, Mr. Cutrona and Mr. Jensen went into work session to discuss specifics of the proposed Bed and Breakfast Ordinance.

Respectfully submitted,

MARYANN D. FURLONG, Secretary
